## Foreword

A school year consists of many doings  
All which lead to part of schooling.  
We have clubs and sports to amuse  
When school subjects tend to confuse.  
There are students who have problems  
There are teachers to help solve them.

There are many a problem and many a laugh  
Among a hard-working group called the Aura Staff.  
The job of these members is to sum up in a book  
Things at which students would like to look—  
Doings of clubs and sports of the year,  
And other things that bring happiness and cheer.

In school you have friends both good and bad,  
Those who make you happy—those who make you sad.  
We have taken these friends and grouped them together  
In a book of memories to cherish forever.

Clair Davenport

Under the supervision of Executive Head Wayne O. Hasafos the administrators at Lake Schools direct all phases of the educational program.

Administrators and teachers attend workshops and conferences throughout the year to learn new techniques and exchange ideas with other educators.

The Lake Billboard keeps parents and faculty informed on Board of Education action and Administration decisions.

The school board successfully urged passage by the voters of an additional three-mill levy.

The group has also taken charge of the activity board in front of the school and has purchased a record library for dances. Student Council sponsored a dance to raise money for the March of Dimes.

# Language Arts and Social Studies teach of the world...

In this age of speed, the world keeps getting smaller and smaller. It becomes increasingly necessary for students to know the language, customs and history of other nations.

Our youth in this modern age must be better informed regarding current events and happenings.

Through the two years of Latin and two years of Spanish offered at Lake, the students learn foreign languages. In the English, speech and composition classes, our youth learn to express themselves properly. Government, history and economic courses prepare the students for better citizenship.

## BAND NOTES

Lake Senior High Band has 92 members. The band was invited to attend the New York World's Fair in August and staged an all-out campaign to raise \$10,000. for the trip. To raise this money, the band sponsored concerts, dances, suppers, a hootenanny, a food tent at the Wood County Fair, and various other functions.

Band Director Richard Washeck required each member of the band to go to solo or ensemble competition where each received beneficial constructive criticisms. It is hoped that this individual improvement will aid the band in overall performance.

During the football season the band entertained at half-time at all home games and at a number of away games.

## Football Scoreboard

In spite of the fact that the Lake Flyers ended their season with more losses than wins, the score does not tell the whole story. Some of the games were lost by close margins.

In viewing the entire picture, there were many satisfying results—the team gained many experiences and the spirit remained good. Lake is looking forward to the 1964 season.

This year special effort was made to fulfill this purpose under the direction of the officers and advisor, Mr. Gene Schwind. The Kiwanis-sponsored Key Club was organized in 1963. Their motto is "We Build."

Club members sponsored a non-profit sock-hop, to encourage students to attend the basketball games. Members sold pep pins and they sponsored a homecoming candidate. The club purchased and planted shrubs at the entrance of the school. They also filled and leveled topsoil at the entrance of the football field.

**Libbey's  
famous  
"Safedge"  
Guarantee**

**first made in 1924**

In 1924 Libbey—a division of Owens-Illinois—perfected a unique fire process for safeguarding the rims of fine glassware

They called this glassware "Safedge"—and to prove the process was as good as claimed, they backed it with the most dramatic guarantee in glass history:

"If any 'Safedge' glass becomes chipped on the rim, from any cause whatsoever, it will be replaced free of cost." This offer, of course, still stands.

Today, Libbey "Everyday Crystal" with the famous "Safedge" guarantee graces even the finest tables, yet sells at low prices

**You Can't Go Wrong...**

Nobody should ever consider his education complete. You can't go wrong by getting as much schooling as possible. So strongly does Toledo Edison feel about this that we finance three scholarships a year at the University of Toledo.

Lots of college graduates find Toledo Edison a good place to work. Investor-owned electric companies offer interesting careers in many fields. You might want to look into this

## ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead"  
Teenagers sometimes forget to look at themselves objectively

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When you buy a mirror, be sure it's made of L.O.F. Parallel-O-Plate® glass, twin-ground for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a mirror in a school—as in a home. A mirror is a mirror in a home—as in a school. It's a good habit to form and others will notice.
